

Following are photos of clients to show the dramatic results obtained with this program.

Before treatment:  
Complained of droopy lids and eye not "bright".

After 20 treatments:  
Eye lid more open and eye much brighter.  
Also note fading of fine lines.

Before: complained of "turkey neck" and poor jaw line.

After 20 treatments: Note tightening & firming of neck and jaw line. Over all texture of skin has improved and skin color has become less reddened.

After 10 treatments: Cheeks lifted and lines are lessened. Neck is firmer also.

After 10 treatments: Eye overall lifted and "flattened" lower lid now normal. Fine lines are diminished also.

After 10 treatments: Softening of facial lines, cheek lifted, neck firmer, even nose is lifted a little.

After 10 treatments: Fine lines diminished greatly. Eyes over all lifted and lower eye lids filled in.

After 10 treatments: Skin texture improved. Neck firmer. Lips developing definition again. Chin less prominent. Nose has lifted.
